

NACM Member Credit Card Acceptance Program

Competitive Advantage Through
Valued Relationships

Looking For A Business Edge?

Sometimes the results we want require capabilities beyond our means. Capabilities you only get through valued relationships and teamwork.

National Association of Credit Management (NACM) members enjoy a distinct competitive advantage through their partnership with Vantiv and United TranzActions (UTA).

As an NACM member, you'll benefit from the combined expertise of Vantiv and UTA. We provide NACM members with exceptional benefits and many custom-designed features that make card payments more attractive to your customers and more profitable for you.

NACM Members Benefit From:

- An existing billion-dollar portfolio with discounted processing fees
- Data security and interchange management consultation and support
- Level II and Level III data processing support for Commercial and Purchasing Card transactions
- Online back-office management data and reporting tools
- Dedicated Customer Service Support for NACM Members

Standing Out In A Crowd

Lots of companies boast about their payment processing expertise. Vantiv has the track record to prove it. We're the nation's third largest merchant transaction acquirer, processing more than 11.4 billion ATM and POS transactions and nearly \$400 billion in debit and credit sales volume annually.*

As a leader in the industry and an expert in business-to-business payments, our solutions can help you get the most out of your commercial and purchasing card transactions. From interchange management to fraud and card data security, we'll help keep you informed of industry updates that may impact your business.

Our people, partnerships, and technologies can help you meet and exceed your customers' ever-changing demands. Greater efficiencies, more capabilities. That's a real competitive advantage.

Learn more about our wide array of processing solutions and services at www.vantiv.com.
